

# Principal Perspectives

*The faculty, students and their parents have a great deal of respect for our Student Assistance Counselor. The Program plays a key part in the success of our school.*

**Richard Wheeler, Barrington Middle School**

*The Student Assistance Program is an integral part of our school community. The administrative and other support staff often seeks consultation from our Student Assistance Counselor.*

**Dr. Michael Almeida, Alan Shawn Feinstein Middle School of Coventry**

*Our Student Assistance Counselor is a key member of our response team. She is quick to respond to students in crisis and is a great asset to our staff.*

**Dan Kelley, Smithfield High School**

*The Student Assistance Program is a key asset to our school's ability to reach all students emotionally, developmentally, socially and academically. Our Student Assistance Counselor is a gem!*

**Dr. Nicole M. Thomas, Nathanael Greene Middle School**

*The Student Assistance Program is a valuable asset to Pilgrim High school. The program targets and helps our highest risk students. Our Student Assistance Counselor played a critical role in a recent school tragedy. She was a true leader in our effort to reach out and help all members of the school community during a very difficult time.*

**Dennis Mullen, Pilgrim High School**

*The Student Assistance Program is a vital component to the success of our students.*

**Dr. Arthur Petrosinelli, Hope High School**

*Our Student Assistance Counselor does an excellent job and has helped countless students and their families. We need her full time!*

**Joseph Goho, North Providence High School**

*Our Student Assistance Counselor has made a great impact on the health and well being of our students and staff.*

**Kevin McNamara, Lincoln High School**

*Our Student Assistance Counselor is an asset to our entire school community.*

**Sheila Sullivan, Broad Rock Middle School**
